- We are not responsible for the final product. If there is an issue with quality, delivery, gift card printing, logo issue, or anything else, we do not have the ability to control it.
- If the address provided is incorrect, we will do our best to contact the sender for the correction. However, if we are unable to change it, you are still responsible for the cost.
- While we prefer to work with vendors that ship nationwide, we can make special arrangements for your local favorites.

Please note: *Delivery Notifications are not instant. It may take 24-48 hours for the confirmation email.*

Standard Direct Mail

Time to Implement: Send direct mail once the bundle items are stocked at the warehouse.

Cost: Cost of item(s) + pick & pack fee + shipping cost.

Quantity: Let your budget decide how many direct mail sends to stock.

How to Win: OWork with your CSM and Project Manager to identify what types of items you want to send. From there, we'll order the items, store them in our warehouse with a proper shipping notice number, and keep a detailed inventory.

Already have items at your office or swag vendors you prefer to work with? Contact your CSM to set up the product in your account – you will be able to create a Ship Notice and send items to our warehouse.

Amazon Integration

Order anything off of Amazon using your Sendoso account funds.

Time to Implement: Immediately. With a funded account, you can place orders the day you sign up.

Cost: Varies

Quantity: Let your budget decide how many direct mail sends to stock.

How to Win:

- Place an order through Amazon, and it will automatically be sent to a Sendoso warehouse.
- Once the package arrives at the warehouse, we will remove any signs of Amazon, and repackage it to include a handwritten note from you. You can add any other items you have in stock at our warehouse such as logo stickers or custom packaging tape, too.
